OFFICIAL COMPILATION OF CODES, RULES AND REGULATIONS OF THE STATE OF NEW YORK  
TITLE 8. EDUCATION DEPARTMENT  
CHAPTER V. STATE UNIVERSITY OF NEW YORK  
SUBCHAPTER A. REGULATIONS OF THE BOARD OF TRUSTEES  
PART 302. TUITION, FEES AND CHARGES

Current through August 15, 2009.

\* Section 302.1.\* Tuition and fees at State-operated units of State University.

The payment of tuition and fees in the State-operated units of the State University shall be governed by the following definitions, regulations, and schedule of rates to be charged.

(a) Definitions. For the purpose of establishing rental schedules, tuition fees and other charges, the following definitions shall apply:

(1) Semester. A period of attendance in which the school year is customarily divided in two equal sessions. In some cases an optional third semester is available.

(2) Quarter. A period of attendance in which the school year is customarily divided in three equal sessions. In some cases a fourth optional quarter is available.

(3) Student.

(i) A student at a college operating on a semester basis is any person registered for 12 or more semester hours of work in a regular program whether on campus or at another location.

(ii) A student at a college operating on a quarter basis is any person registered for 12 or more quarter hours.

(4) Special student.

(i) A special student at a college operating on a semester basis is any person registered for fewer than 12 semester hours of work.

(ii) A special student at a college operating on a quarter basis is any person registered for fewer than 12 quarter hours.

(iii) A student attending a summer session, which is not a regular quarter or semester, is a special student for the purpose of this definition.

(5) Change of status. A person who registers and commences classes initially as a student but whose program is later curtailed for academic reasons, does not change status during that quarter or semester to that of special student.

(6) Residence. A person whose domicile has been in the State of New York for a period of at least one year immediately preceding the time of registration for any period of attendance shall be a New York resident for the purpose of determining the tuition rate payable for such period. All other persons shall be presumed to be out-of-state residents for such purpose, unless domiciliary status is demonstrated in accordance with guidelines adopted by the Chancellor or designee.

(b)

(1) Students enrolled in degree-granting undergraduate programs leading to an associate degree and nondegree granting programs of at least one regular academic term in duration which have been approved as eligible for tuition assistance program awards.

## Tuition

- (i) Students, New York State residents: \$2,485 per semester or \$1,657 per quarter.
  - (ii) Students, out-of-state residents: \$6,435 per semester or \$4,290 per quarter.
  - (iii) Special students, New York State residents: \$207 per semester credit hour or \$138 per quarter credit hour.
  - (iv) Special students, out-of-state residents: \$536 per semester credit hour or \$358 per quarter credit hour.
  - (v) The president of a college of technology or a college of agriculture and technology may establish differing rates of tuition for the college for students enrolled in degree- granting programs leading to an associate degree and non-degree granting programs, with the approval of the chancellor or designee, based on considerations which may include but are not limited to time, location, cost, services provided, enrollment management and access, so long as such tuition rates do not exceed the tuition rates specified in this subdivision.
- (2) Students enrolled in degree-granting undergraduate programs leading to a baccalaureate degree and non-degree granting programs of at least one regular academic term in duration which have been approved as eligible for tuition assistance program awards.

(j) Intercollegiate athletics fee. The chancellor, or designee, is authorized to approve the request of the chief administrative officer at a State-operated campus to establish a campus intercollegiate athletics fee and, thereafter, any increases to such fee. When approved, the fee shall be mandatory for all undergraduate students, and, if so provided for in the request, for all graduate students enrolled at that campus. A pro rata portion shall be paid by part-time students. The fee proceeds shall be deposited in an appropriate State University account, or may be paid to authorized campus foundation or auxiliary service corporation accounts for the purpose of operating the respective campus's division 1 intercollegiate athletics program or operating its intercollegiate athletics program during the transition period leading to division 1, in accordance with a contract subject to the approval of the Office of the State Comptroller, and shall be administered in accordance with State University policy. Any request to establish a campus intercollegiate athletics fee shall demonstrate campus support pursuant to a written consultative process prepared by the chief administrative officer which shall include a student referendum. The chief administrative officer shall assure equitable athletic opportunities are available in the campus intercollegiate athletics program to all qualified individuals.

(k) Health services fee. The chief administrative officer at each State-operated campus which operates student health services shall establish a health services fee with the approval of the Chancellor, or designee. The fee shall be established following approval by the Chancellor, or designee, of a three-year plan for funding student health services at each campus to be determined by campus location, enrollment and the level of health services required. When approved, the fee shall be assessed upon all students enrolled in undergraduate and graduate programs at the campus. A pro rata portion shall be paid by part-time students. In each plan the chief administrative officer shall identify categories of students who may be exempted from the fee if their courses of study do not permit access to the student health services available on campus. Any increases to the fee shall be approved by the Chancellor or designee.

(l) Notwithstanding anything contained in this section to the contrary, members of the Armed Forces of the United States on full-time active duty and stationed in New York State and their spouses and dependents, whether or not residents of New York State as defined in paragraph (a)(6) of this section, shall be charged tuition at the applicable resident student rate as set forth in this section.

(m) Time and method of payment; additional guidelines. The Chancellor, or designee, shall issue regulations concerning the time and method of payment of all fees included in this section, and shall issue such other guidelines as shall be necessary to implement the definitions, regulations and schedule of rates adopted herewith. Such regulations and guidelines shall provide that, except where otherwise authorized, no person shall receive credit or other official recognition for work completed satisfactorily, or be allowed to reregister, until all tuition, fees and all other charges authorized by State University have been paid, or university student loan obligations have been satisfied.
